

SAPPHIRE Force 25

**NEW
BLOCK BAIT
IN 3KG!**

Sapphire Force 25

Scientifically formulated to provide a lethal dose in a single feed.

- ✓ Single-feed brodifacoum block bait
- ✓ All-weather blocks
- ✓ Kills rats and mice
- ✓ For indoor and outdoor use
- ✓ Alluring smell to rodents
- ✓ Controls up to 750 rats with 1 bucket

Ready-to-use, all-weather block bait to be used in tamper-resistant bait stations for the control of rats and mice in and around buildings.

KEY ADVANTAGES

- A unique and highly attractive bait, for professional use, that can kill rodents in a single feed.
- Sapphire Force 25 is formulated from a blend of premium grade cereals, proteins, and added attractants bound by edible waxes to give proven efficacy in the most difficult environments, all-weather, in and around building.
- For best results use alongside the BETA, BORA, or DELTA bait stations (also supplied by Lodi UK).

Contains brodifacoum 0.0025% w/w and denatonium benzoate 0.001% w/w. Authorisation code: UK-2016-0998-008
