ECOFECTIVE
Cat & Dog Repellent Spray

500ml e

Front label code: ECF0018

[Back label text](#)

An effective treatment with harmless scents that discourages cats and dogs from fouling both in the home and the garden areas on doorways, carpets, furnishings, driveways, paths, patios, flower beds, dustbins, fenceposts etc. For use only against cats and dogs. Do not use where human or animal food or water could become contaminated.

Cat & Dog Repellent Spray contains Methyl Nonyl Ketone 3.47% w/w.

Directions for use: Remove any solid excreta. Wash down fouled areas with clear water. Shake bottle before use. Spray onto and around soiled areas. Can be repeated every 12 hours if required to deter particularly persistent pets. Use avoid over-application. Do not use near ornamental ponds, or those containing fish, edible crops and do not apply direct garden or houseplants as this may cause 'spot burning'. Do not use on painted or varnished surfaces. Indoors, test on a small hidden area of carpet, furnishings etc. before use to test for colour fastness. Wash hands after use.

This material and its container must be disposed of in a safe way. **DO NOT CONTAMINATE FOODSTUFFS, EATING UTENSILS OR FOOD CONTACT SURFACES.** Do not empty into drains. Do not contaminate waterbodies or watercourses with chemicals or used container. **REMOVE OR COVER ALL FISH TANKS AND BOWLS** before application. **WASH HANDS AND EXPOSED SKIN** before meals and after use. **KEEP IN A SAFE PLACE.**
