INSECTO PRO FORMULA Fly & Wasp Destroyer 300ml

Probably the strongest Fly and Wasp Destroyer available on the UK market. A pro formula spray that kills all flying insects. Simply direct the spray at the target and it will kill the pest in an instant. Many aerosols contain very little active ingredient and when used prove fairly ineffective, however with instant results customers are moving away from known brands to Insecto. Can be used as a space or surface spray.

- Used & approved by professionals
- Targets all flying insects
- Space and surface spray

Active Size Tetramethrin, Trans-phenothrin
